entity status in good faith.

Subsequent to the filing of the subject application, applicants discovered that such status as a small entity was established in error. Applicants request that the error in establishing small entity status be excused upon applicants' compliance herewith of:

- 1) the separate submission and itemization requirements of paragraphs (c) (1) and (c) (2) of 37 C.F.R. §1.28; and
- 2) the deficiency payment requirement of paragraph (c) (2) of 37 C.F.R. §1.28.

1) Submission of Deficiency Payment for Application

As required under 37 C.F.R. §1.28(c) (1), applicants submit herewith this separate submission of the deficiency payment for the subject application.

2) Payment of Deficiency Owed

As required under 37 C.F.R. §1.28(c) (2), applicants submit herewith the deficiency owed, resulting from the previous erroneous payment of small entity fees.

i) Calculation of the Deficiency Owed

The deficiency owed for each previous fee erroneously paid as a small entity is the difference between the current fee amount (for other than a small entity) on the date the deficiency is paid in

full and the amount of the previous erroneous (small entity) fee payment.

An application filing fee of \$627.00 was previously erroneously paid, which included a \$243.00 fee for twenty seven (27) claims in excess of twenty (20), a \$39.00 fee for one (1) independent claim in excess of three (3), and a \$345.00 basic application filing fee.

The current fee amount for claims in excess of 20 is \$18.00 per claim, therefore, the fee for twenty seven (27) claims in excess of twenty (20) is \$486.00. The current fee for each independent claim in excess of three (3) is \$39.00 per claim, therefore, the fee for one (1) claim in excess of three (3) is \$39.00. The current basic application filing fee is \$710.00. Therefore, the current fee for application filing fees, including all excess claim fees, is ONE THOUSAND TWO HUNDRED THIRTY FIVE DOLLARS (\$1,235.00).

Therefore, the total deficiency owed is: current fee of \$1,235.00 minus the amount of previous erroneous payment of SIX HUNDRED TWENTY SEVEN DOLLARS (\$627.00) is SIX HUNDRED EIGHT DOLLARS (\$608.00).

ii) Itemization of the Deficiency Payment

A) Each particular type of fee that was erroneously paid as a small entity and the current fee amount for a non-small entity is listed as follows:

- 1a. The fee paid for twenty seven (27) claims in excess of twenty (20) was \$243.00.
- 1b. The current fee amount for claims in excess of 20 is \$18.00 per claim, therefore, the fee for twenty seven (27) claims in excess of twenty (20) is \$486.00.
- 2a. The fee paid for one (1) independent claim in excess of three (3) was \$39.00.
- 2b. The current fee amount for one (1) independent claim in excess of three (3) is \$39.00.
- 3a. The basic application filing fee paid was \$345.00.
- 3b. The current basic application filing fee is \$710.00.

B) The small entity fee actually paid and when it was paid are as follows:

A check for a total amount of SIX HUNDRED TWENTY SEVEN DOLLARS (\$627.00) was paid on June 29, 2000. The type of fee paid and when it was paid are itemized as follows:

1. The \$243.00 fee for twenty seven (27) claims in excess of twenty (20) was paid on June 29, 2000.

2. The \$39.00 fee for one (1) independent claim in excess of three (3) was paid on June 29, 2000.
3. The \$345.00 basic application filing fee was paid on June 29, 2000.

C) The deficiency owed amount is calculated as follows:

1. The current fee amount for claims in excess of 20 is \$18.00 per claim, therefore, the fee for twenty seven (27) claims in excess of twenty (20) is \$486.00 minus the \$243.00 fee paid is a deficiency of \$243.00.
2. The current fee amount for one (1) independent claim in excess of three (3) is \$39.00 fee minus the \$39.00 fee paid is a deficiency of \$0.00 (zero).
3. The current basic application filing fee is \$710.00 minus the \$345.00 fee paid is a deficiency of \$365.00.

D) The total deficiency owed amount is calculated as follows:

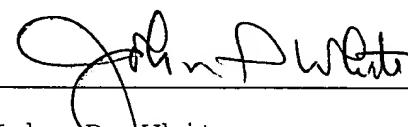

The \$243.00 deficiency fee for twenty seven (27) claims in excess of twenty (20) plus the \$365.00 deficiency fee for basic application filing fee is a total of SIX HUNDRED EIGHT DOLLARS (\$608.00).
